MISS MINNESOTA'S OUTSTANDING TEEN

**"I can't think of any better representation of Beauty than someone who is unafraid to be herself."**

~ Emma Stone

Julia is a competitive dancer who has been dancing for the past 14 years. Her Social Impact Initiative, How to Save a Life, helps teach all ages the importance of CPR and how everyone can use it in a lifesaving emergency. You can find Julia speaking in businesses, local schools, and many other places, talking about the advantages and importance of CPR. The Miss America's Outstanding Teen Organization has given Julia the opportunity and platform to share her passion for CPR and spread its importance with the whole state of Minnesota.

Throughout Julia's year as Miss Minnesota's Outstanding Teen, she hopes to reach 2,000 individuals about how crucial it is to know CPR and help them feel confident in their Lifesaving skills. Learning CPR benefits everyone, and learning a simple skill can genuinely save lives. Julia hopes that she can create as many lifesavers as possible and teach them, How to Save a Life.

When Julia isn't dancing or playing on the soccer field, she loves to go on bike rides with her three Daschunds: Hazel, Harper, and Hope!
