Miss Minnesota Organization, Eden Prairie, MN – Kathryn Kueppers, Miss Minnesota 2019-20 will check off her second history-making accomplishment within the Miss America Organization of serving 734 days; her first being she is the only daughter of a former Miss Minnesota to win the state title in the 100 years of the Miss America Organization.

After holding the Minnesota State title for two years due to the postponement of last year's Miss America competition, Kueppers issued the following statement:

“The Miss Minnesota Competition is thrilled to finally welcome such exceptional women back to the stage - and at a remarkable new location! While my extra year serving the state of Minnesota has been a time I will never forget, it is so important that we give other women the opportunity to serve, grow and have access to scholarship funds that will help them achieve their educational goals.”

The Miss Minnesota Organization, official preliminary to Miss America, announced last month that after being postponed for one year due to the pandemic, their annual competition will return bigger, better, and stronger. Finals will take place on **Friday, June 25, 2021 at Grace Church in Eden Prairie, Minnesota in their 4000+ seat auditorium**, with the preliminary competition taking place on June 24. Twenty-two women from around the state will vie for the title of Miss Minnesota 2021. Tickets are currently on sale to the public for in-person entry and livestream access will be announced closer to the competition.
